Bracegirdles

Our award-winning chocolates are full of colour, real flavours, shape and texture. From crunchy dark chocolate caramelised almonds to melt your heart passionfruit and soft smooth hazelnut ganache. Bracegirdle's handmade chocolates have been awarded gold medals and trophies in Adelaide and across Australia for the past eight years making them the most awarded chocolates in Australia. They are available in our five stores across Adelaide and also at corporate events. We now invite you to be the judge...

All our chocolates are hand made using the finest Belgian chocolate and where possible local ingredients. We do not use preservatives so we recommend that they are eaten within 3 weeks of purchase – why wait?

Allergies

Most of our chocolates do not contain gluten unless specified. We also have vegan chocolates as marked. All our chocolates are made in our chocolate kitchen which also makes products that do contain milk nuts and wheat. Some chocolates may not be available at all times.

Care of our chocolates

To enjoy Bracegirdle's chocolates at their best please store them away from direct sunlight and strong flavours, in 20°C or below and avoid placing them in the fridge. If the weather is too hot and there is no alternative, place the box of chocolates in an air tight container and wrap completely in plastic film and put in the fridge. Remove about two hours before eating and allow to come to room temperature.
